

STUDIO ENGINEER

Location: Unit 22 Vulcan Way Business Centre, New Addington, CR0 9UG

Closing date: Monday 19th December 2022, 9am

Salary: £10.50 p/h

Contract type: Zero hours contract - flexible work when studio sessions are booked, weekdays and weekends.

Reports to: Studio Manager

Contact email address: info@whitehutstudios.com

White Hut Studios is a professional recording studio space, based in New Addington, Croydon. WHS provides clients with high-quality services to record, mix and master their own music. We are flexible, experienced and open to working with a range of clients, from established artists and corporate clients to new exciting talent. WHS are looking to expand and are currently looking to hire a Studio Engineer to join the team in New Addington who will be responsible for maintaining technical studio operations, recording clients and keeping the studio space presentable.

Main tasks and responsibilities:

- Assist the Studio Manager to plan recording sessions with producers and artists
- Set up microphones and equipment in the studio
- Make sure the volume and recording levels are set correctly
- Operate recording equipment and maintain the running of it
- Assess the acoustics of the performance area and assemble and operate the necessary equipment for each studio session
- Consult with producers and performers to determine sound requirements
- Log recordings and other details of the session in the studio archive
- Communicate effectively with Studio Manager and other colleagues
- Maintain the presentation and upkeep of the studio area.

Person Specifications

- Flexible and positive attitude
- Attention to detail
- Previous experience of working within a customer facing role or excellent interpersonal skills
- Self-motivated approach
- Good initiative and able to troubleshoot and problem solve
- Knowledge and experience of operating technical sound equipment and programmes such as Logic Pro X, Pro Tools, Fruity Loops and Ableton Live.

The successful applicant will be offered a casual working contract, working when bookings are made in the studio. The role is subject to a clear DBS check and references.

To apply for this role, please send a copy of your CV and a cover letter (written, video or audio) stating why you are the most suitable for the role, to info@whitehutstudios.com.
